## ICED COFFEE ALA JACKIE

### Ingredients

2 and a 1/2 cups low fat milk

2 tbs dry instant coffee

2 tbs sugar or substitute

4 blocks dark chocolate

1/2 cup warm water

1 tsp vanilla extract

6 – 8 ice blocks

1 or 2 scoops vanilla ice cream (according to taste)

### Preparation

Measure coffee and sugar or substitute into a jug (if using a hand blender)

Add the warm water, stir to dissolve dry ingredients

Melt the blocks of chocolate with the 1/2 cup of milk in the microwave

Add to the coffee mixture and blend

Add the ice cubes, scoop of ice cream and vanilla extract

Blend for approximately 30-45 seconds

Remove, add a straw and enjoy!

You can top it off with some decadent whipped cream...
