

# FOUR TYPES OF TEXTURE FOR ICING A CAKE

## FOUR TYPES OF TEXTURE FOR ICING A CAKE

### Stripe tease

Drag the back of a spoon across the icing. Wipe off excess icing after each row.

### Ripple effect

Dip the tines of a fork into the icing to form small waves.

### The basket weave

Drag the tines of a fork through icing in an alternating pattern. Wipe fork after each mark.

### The swoop

Create dramatic swirls with the back of a spoon.
