HEALTHY BREAKFAST GRANOLA

I make my own granola with my Weet-Bix. Its super healthy and wholesome.

I use:

8 pieces of weetbix

3 tablespoons of honey

$\frac{1}{2}$ cup of desiccated coconut

$\frac{1}{2}$ cup of almonds

I bake this for 5 minutes on 200°C.

Let it cool down and store a glass jar. It should have a tight lid.
