

MAAK JOU EIE WASPOEIER

MAAK JOU EIE WASPOEIER

Olga Roux:

1 cup salt

2 cups baking soda

2 cups Borax (if you don't have borax, grate sunlight hard soap fine and use in place)

I have not tried this. Blend all ingredients and store in a damp-proof, air-tight container. Use a hearty scoop per wash. Finish your all-natural wash with a cup of white vinegar in place of the fabric softener, for a clean-smelling, soft and squeaky-clean laundry load.

Susan Du Plessis Jordaan:

Om jou waspoeier te vermeerder:

2 kg waspoeier

500 g koeksoda

1 kg growwe sout

Meng saam en gebruik soos gewoonlik. Dit hou jou wasmasjien skoon en wasgoed sag.

Teresa Hill Opperman:

'n Proppie wit asyn (in plek van wasgoedversagmiddel) in die uitspoelwater hou die wasgoed lekker sag.
