Rina Kleinhans, 'n enorme komplement aan jou hoe jy hierdie blad met absolute finesse beheer. Hou so aan. Jou loon gaan baie groot wees. "I salute you".

Wow! Baie geluk aan al die admins. Ek dink die rede dat hierdie groep so versnellend groei is die feit dat die admin sulke oulike mense is en alles hier so mooi georganiseerd is. En die resepte is van die bestes en lekkerstes! En die lede is net so great. Gideon Louw voel al amper soos familie! Net soos a paar ander wat ook gereeld inloer om ietsie te sê. Dankie aan die admin. Dis lekker om hier te kuier en te eet!

I totally agree, it's one big great family here and it does feel like we already know each other for ages. For me, I am a proud member and I've learned so much here, my cooking skills have improved and the family are thoroughly enjoying each meal. My afrikaans is improving.. lol... and I also love the

humor on this page. What I have also found most challenging is taking photos of my food, and I have learned to take photos at different angles, even at times standing on a little ladder.. so even my food photography is improving. We have fantastic people running this page it is well organized by Rina and her admins, and help is a question away. It is simply the best place to learn and to get advice quickly. It's also a page where you will find you are hungry all the time, as the food made here and the fotos to prove can make you exceptionally hungry and wanting to try out the recipes. I strongly advice that you invite your friends and family to join this page, and I encourage you to take part in cooking and posting your photos, try the recipes on the awesome blog and this is not only a Afrikaans page, if you don't understand then write and ask in English, I do it often. This is simply the best page to be on if you want to learn to cook nice food, join in the fun, share you recipes and photos so that we all can learn from each other. Once again Rina, you and your admin team are awesome thank you for this page and well done on gaining over 20 000 members, it's an awesome achievement.
